

Trustee Candidate Statements 2026

Anne Woods

Having been elected as Secretary at the 2025 AGM, I have carried out the role with enthusiasm and diligence for the last 12 months alongside the co-ordination of Little Feet, a thriving and inclusive group.

I am thoroughly committed to the Stragglers, both as a runner and in supporting Straggler events through regular volunteering at club events. I have been a member of the Committee for over 10 years representing Little Feet and as a welfare officer have co-ordinated the development of club welfare and health and safety policies. I have supported the club and worked with the Trustees and Management Committee to help navigate us through our first successful year as a CIO.

I resign in accordance with the requirements of the constitution and put myself forward for re-election as I would be very happy to continue in the role.

I was first elected as Club Treasurer way back in 2017. Since then, I have had responsibility for preparing budgets, making sure all expenditure is properly authorised, nudging members (hopefully gently...) for payment of their subscriptions, producing the annual accounts and presenting these to the AGM.

Over the past couple of years I have also had a leading role in the club's successful transition to a charitable incorporated organisation.

I believe this is a great club and I enjoy being able to use my skills and experience as an accountant to help it to prosper. Working with other trustees and the management committee, we have been able to provide a wide range of activities for members while keeping the annual subscription fee at a fairly modest level.

Having had one year in the treasurer trustee role I'm standing for re-election because I wish to continue to contribute to the club and help the club to achieve even more for its members.
