Navigation and Marshalling Points

Race Navigation:

- The course is NOT MARKED. Please read the map and use your common sense.
- The course follows the Thames Path for the whole route. The route is the same as for 2015 with a minor modification on Stage 1.
- For support cars following your runners, you really don't have much time to hang around at changeover points, especially as the running route is often more direct than the driving one.

Danger Points:

- The route uses and some busy roads, and the whole route is often busy with other events as well as the general public. Please pay attention, in particular at the following points:
- Stage 1: 3.8 miles: through Datchet, cross two road junctions
- Stage 4: 0.1 miles: turn into Russell Road
- Stage 4: 0.9 miles: cross A244 to Walton Bridge
- Stage 5: 1.1 miles: cross road at Hampton Court bridge to re-join towpath, using pedestrian crossing
